ARTICLE X. FIRE AND RESCUE COLLECTIVE BARGAINING.

33-147. Declaration of policy.

The public policy of Montgomery County is to promote a harmonious, peaceful, and cooperative relationship between the County government and its fire and rescue employees and to protect the public by assuring, at all times, the responsive, orderly, and efficient operation of the Department of Fire and Rescue

Services. Since unresolved disputes in the fire and rescue service harm the public and fire and rescue employees, adequate means should be available to prevent disputes and resolve them when they occur. To that end, it is in the public interest that fire and rescue employees have the opportunity to bargain collectively over wages, hours, and other terms and conditions of employment, as authorized by Charter Section 510A, through a representative of their choice, or to refrain from collective bargaining. It is also in the public interest that the County government and a representative of fire and rescue employees bargain collectively in good faith without interference with the orderly process of government, and that they implement any agreement reached through collective bargaining.

Fire and rescue employee organizations and the County government each possess substantial means for initiating actions on wages, hours, and working conditions of employees. Therefore, in order to preserve an appropriate balance between labor and management in the fire and rescue service, once the employees voluntarily select a representative collective bargaining must be used in place of, and not in addition to, existing means to initiate government action on subjects that are appropriate for collective bargaining under this Article.

33-148. Definitions.

The following terms have the meaning indicated when used in this Article:

- (1) **Agency shop** means a provision in a collective bargaining agreement requiring, as a condition of continued employment, that bargaining unit employees pay a service fee not greater than the monthly membership dues uniformly and regularly required by the employee organization of all of its members. An agency shop agreement must not require an employee to pay initiation fees, assessments, fines, or any similar collections as a condition of continued employment. A

collective bargaining agreement must not require payment of a service fee by any employee who opposes joining or financially supporting an employee organization on religious grounds. However, the collective bargaining agreement may require that employee to pay an amount equal to the service fee to a nonreligious, nonunion charity, or to any other charitable organization, agreed to by the employee and the certified representative, with provision for dispute resolution if there is not agreement, and to give to the employer and the certified representative written proof of this payment. The certified representative must adhere at all times to all federal constitutional requirements in its administration of any agency shop system maintained by it.

(2) **Certified representative** means an employee organization chosen to represent the unit as the exclusive bargaining agent in accordance with this Article or Article VII.

(3) **Collective bargaining** means meeting at reasonable times and places and negotiating in good faith on appropriate subjects as defined under this Article. This Article does not compel either party to agree to a proposal or make a concession.

(4) **Employee** means any fire and rescue employee in the classification of Master Firefighter/Rescuer, Firefighter/Rescuer III, Firefighter/Rescuer II, and Firefighter/Rescuer I, but not any employee:

(A) in a probationary status, or

(B) in the classification of Fire/Rescue ~~[[Sergeant]]~~ Lieutenant or any equivalent or higher classification.

- 129 (5) **Employee organization** means any organization that admits
 130 employees to membership and that has as a primary purpose the
 131 representation of employees in collective bargaining. [[The
 132 organization must not admit to membership any person other than fire
 133 and rescue service personnel.]]
- 134 (6) **Employer** means the County Executive and the Executive's designee.
- 135 (7) **Lockout** means any action that the employer takes to interrupt or
 136 prevent the continuity of work properly and usually performed by the
 137 employees for the purpose and with the intent of either coercing the
 138 employees into relinquishing rights guaranteed by this Article or of
 139 bringing economic pressure on employees for the purpose of securing
 140 the agreement of their certified representative to certain collective
 141 bargaining terms.
- 142 (8) **Mediation** means an effort by an impasse neutral chosen under this
 143 Article to assist confidentially in resolving, through interpretation,
 144 suggestion, and advice, a dispute arising out of collective bargaining
 145 between the employer and the certified representative.
- 146 (9) **Strike** means a concerted failure to report for duty, absence, stoppage
 147 of work, or abstinence in whole or in part from the full and faithful
 148 performance of the duties of employment with the employer, or
 149 deviation from normal or proper work duties or activities, where any
 150 of these acts are done in a concerted manner for the purpose of
 151 inducing, influencing, or coercing the employer in the determination,
 152 implementation, interpretation, or administration of terms or
 153 conditions of employment or of the rights, privileges, or obligations

of employment or of the status, recognition, or authority of the employee or an employee organization.

- (10) Unit means all employees, as defined in this Section, who are associated with fire suppression, fire protection, fire communications, fire service training, rescue, and emergency medical services, and whose duties include the rescue and safety of individuals and the preservation of structures and physical property.

33-149. Labor Relations Administrator.

- (a) A Labor Relations Administrator must be appointed to effectively administer this Article as it governs selection, certification and decertification procedures[[,]] and prohibited practices[[, and the choice of an impasse neutral]]. The Administrator must:

- (1) periodically adopt, amend, and repeal, under method (1), regulations and procedures to carry out the Administrator's duties under this Article;
- (2) request from the employer or employee organization, and the employer or employee organization may at its discretion provide, any relevant assistance, service, and data that will enable the Administrator to properly carry out duties under this Article;
- (3) hold hearings and make inquiries, administer oaths and affirmations, examine witnesses and documents, take testimony and receive evidence, and compel by issuance of subpoenas the attendance of witnesses and the production of relevant documents;

- 179 (4) conduct elections to certify or decertify an **employee**
 180 **organization** under this Article, and issue the certification or
 181 decertification;
- 182 (5) investigate and attempt to resolve or settle, as provided in this
 183 Article, charges of engaging in prohibited practices, but the
 184 Administrator must defer to the parties' grievance procedure if:
 185 (A) the **employer** and the **certified representative** have
 186 negotiated a valid grievance procedure to resolve
 187 disputes, and
 188 (B) deferral to the grievance procedure would not result in
 189 the application of principles repugnant to this Article;
- 190 (6) determine whether a person is properly included in or excluded
 191 from the **unit**;
- 192 (7) obtain any necessary support services and make necessary
 193 expenditures in the performance of duties to the extent the
 194 County has appropriated funds for these purposes; and
- 195 (8) exercise any other powers and perform any other duties and
 196 functions specified in this Article.
- 197 (b) The Labor Relations Administrator must be a person with experience
 198 as a **neutral** in labor relations, and must not be a person who, because
 199 of vocation, employment, or affiliation, can be classed as a
 200 representative of the interest of the **employer** or any **employee**
 201 **organization**.
- 202 (c) The County Executive must appoint the Labor Relations
 203 Administrator from a list of 5 nominees agreed on by the **certified**
 204 **representative** and the Chief Administrative Officer. The County

Council must confirm the appointment. If there is no **certified**
representative, the County Executive must appoint an Administrator,
with the confirmation of the County Council. If the County Council
does not confirm an appointment, the County Executive must appoint
another person from a new agreed list of 5 nominees and submit that
appointee to the County Council for confirmation. The Administrator
serves a term of 5 years. An incumbent Administrator is
automatically reappointed for another 5-year term unless, during the
period between 60 and 30 days before the term expires, the **certified**
representative notifies the **employer** or the **employer** notifies the
certified representative that it objects to the reappointment.

- (d) The Labor Relations Administrator must be paid a daily fee as
specified by contract with the County, and must be reimbursed for
necessary expenses incurred in performing the duties of
Administrator.

33-150. Employee rights.

- (a) **Employees have the right to:**
- (1) form, join, support, contribute to, or participate in, or refrain
from forming, joining, supporting, contributing to, or
participating in, any **employee organization** or its lawful
activities; and
 - (2) be represented fairly by their **certified representative**, if any.
- (b) The **employer** must extend to the **certified representative** the
exclusive right to represent the **employees** for the purposes of
collective bargaining, including the orderly processing and
settlement of grievances as agreed by the parties under this Article.

(c) A **certified representative** serves as the exclusive bargaining agent for all **employees** in the **unit** and must represent fairly and without discrimination all **employees** in the **unit** without regard to whether the **employees** are members of the **employee organization**, pay dues or other contributions to it, or participate in its affairs. However, it is not a violation of this duty for a **certified representative** to seek enforcement of an **agency shop** provision in a valid **collective bargaining** agreement.

(d) The right of a **certified representative** to receive voluntary dues or service fee deductions or **agency shop** provisions must be determined through negotiations, unless the authority to negotiate these provisions has been suspended under this Article. Other than an **agency shop** provision, a **collective bargaining** agreement must not require membership in, participation in the affairs of, or contributions to an **employee organization**.

33-151. Selection, certification, and decertification procedures.

(a) Any **employee organization** seeking certification as representative of the **unit** must file a petition with the Labor Relations Administrator stating its name, address, and its desire to be certified. The **employee organization** must also send a copy of the petition, including a copy of the signatures of the supporting **employees** on the petition, to the **employer**. The petition must contain the uncoerced signatures of 30 percent of the **employees** in the **unit**, signifying their desire to be represented by the **employee organization** for purposes of **collective bargaining**.

- (b) If an **employee organization** has been certified, an **employee** in the **unit** may file a petition with the Administrator to decertify the **certified representative**. The **employee** must also send a copy of the petition to the **employer** and the **certified representative**, not including the names of the supporting **employees**. The petition must contain the uncoerced signatures of 30 percent of the **employees** in the **unit**, alleging that the certified **employee organization** is no longer the choice of the majority of the **employees** in the **unit**.
- (c) If a lawful **collective bargaining** agreement is not in effect, a petition may be filed under this Section in September of any year, but not sooner than 22 months after an election held under this Section.
- (d) If a lawful **collective bargaining** agreement is in effect, a petition filed under this Section must not be entertained unless it is filed during September of the final year of the agreement.
- (e) If the Administrator finds that a petition is properly supported and timely filed, the Administrator must hold an election of all eligible **employees** within a reasonable time, but no later than the next October 20, to determine if and by whom the **employees** wish to be represented.
- (1) The election must be supervised by the Administrator and must be conducted by secret ballot at the time and place that the Administrator directs. The Administrator may retain the services of a State agency responsible for conducting labor elections, or a similarly neutral body, to assist in conducting the election.

- (2) The election ballots must contain, as choices to be made by the voter, the name of each petitioning or certified **employee organization**, the name of any other **employee organization** showing written proof at least 10 days before the election of at least 10 percent representation of the **employees** in the **unit** in the same manner as described in paragraph (a), and a choice that the **employee** does not desire to be represented by any of the named **employee organizations**.
- (3) The **employer** and each party to the election may be represented by observers selected under conditions that the Administrator prescribes.
- (4) Observers selected under paragraph (3) may challenge for good cause the eligibility of any person to vote in the election. All challenged ballots must be impounded until either the parties agree on the validity of each challenge or the Administrator decides the validity of each challenge. However, if the number of challenges will not determine the outcome of the election, the challenged ballots must be destroyed.
- (5) After the polls have been closed, the Administrator must count all valid ballots cast in the presence of the observers.
- (6) The Administrator must immediately prepare and serve on the **employer** and each party a report certifying the results of the election. If an **employee organization** receives the votes of a majority of the **employees** who voted, the Administrator must certify that **organization** as the exclusive agent.

(7) If no **employee organization** receives the votes of a majority of the **employees** who voted, the Administrator must not certify a representative. Unless a majority of the **employees** who vote choose ``no representative," a runoff election must be conducted. The runoff election must contain the 2 choices that received the largest and second largest number of votes in the original election.

(f) The Administrator's certification of results is final unless, within 7 days after service of the report and the certification, any party serves on all other parties and files with the Administrator objections to the election. All objections must be verified and contain a concise statement of facts constituting the grounds for each objection. The Administrator must investigate all objections and, if substantial factual issues exist, must hold a hearing. Otherwise, the Administrator may decide the matter without a hearing. The Administrator may invite, either by rule or by invitation, written or oral argument to assist in deciding the merits of the objections. If the Administrator finds that the election was conducted in substantial conformity with this Article, the Administrator must confirm the certification initially issued. If the Administrator finds that the election was not held in substantial conformity with this Article, then the Administrator must hold another election under this Section.

(g) The County must pay the cost of conducting each election.

33-152. Collective bargaining.

- 330 (a) **Duty to bargain; matters subject to bargaining.** When an
 331 **employee organization** is certified, the **employer** and the **certified**
 332 **representative** must bargain collectively with respect to:
- 333 (1) **salary and wages, including the percentage of the increase in**
 334 **the salary and wages budget that is devoted to merit increments**
 335 **and cash awards, but salaries and wages must be uniform for all**
 336 **employees in the same classification;**
 - 337 (2) **pension and other retirement benefits for active employees**
 338 **only;**
 - 339 (3) **employee benefits such as, but not limited to, insurance, leave,**
 340 **holidays, and vacations;**
 - 341 (4) **hours and working conditions;**
 - 342 (5) **procedures for the orderly processing and settlement of**
 343 **grievances concerning the interpretation and implementation of**
 344 **any collective bargaining agreement, which may include:**
 - 345 (A) **binding third party arbitration, but the arbitrator has no**
 346 **authority to amend, add to, or subtract from any**
 347 **provision of the collective bargaining agreement; and**
 - 348 (B) **provisions for exclusivity of forum;**
 - 349 (6) **matters affecting the health and safety of employees; and**
 - 350 (7) **amelioration of the effect on employees when the exercise of**
 351 **employer rights listed in subsection (b) causes a loss of**
 352 **existing jobs in the unit.**
- 353 (b) **Employer rights.** This article and any **collective bargaining**
 354 **agreement made under it must not impair the right and responsibility**
 355 **of the employer to:**

- 356 (1) determine the overall budget and mission of the **employer** and
357 any agency of County government;
- 358 (2) maintain and improve the efficiency and effectiveness of
359 operations;
- 360 (3) determine the services to be rendered and the operations to be
361 performed;
- 362 (4) determine the overall organizational structure, methods,
363 processes, means, job classifications, and personnel by which
364 operations are conducted, and the location of facilities;
- 365 (5) direct and supervise **employees**;
- 366 (6) hire, select, and establish the standards governing promotion of
367 **employees**, and classify positions;
- 368 (7) relieve **employees** from duties because of lack of work or
369 funds, or when the **employer** determines continued work
370 would be inefficient or nonproductive;
- 371 (8) take actions to carry out the mission of government in
372 emergency situations;
- 373 (9) transfer, assign, and schedule **employees**;
- 374 (10) determine the size, grades, and composition of the work force;
- 375 (11) set standards of productivity and technology;
- 376 (12) establish **employee** performance standards and evaluate
377 **employees**, but evaluation procedures are subject to
378 bargaining;
- 379 (13) make and implement systems for awarding outstanding service
380 increments, extraordinary performance awards, and other merit
381 awards;

(14) introduce new or improved technology, research, development, and services;

(15) control and regulate the use of machinery, equipment, and other property and facilities of the **employer**, subject to subsection (a)(6);

(16) maintain internal security standards;

(17) create, alter, combine, contract out, or abolish any job classification, department, operation, **unit**, or other division or service, but the **employer** must not contract work which will displace **employees** unless it gives written notice to the **certified representative** 90 days before signing the contract or other notice agreed by the parties;

(18) suspend, discharge, or otherwise discipline **employees** for cause, except that, subject to Charter Section 404, any such action may be subject to a grievance procedure included in a **collective bargaining** agreement; and

(19) issue and enforce rules, policies, and regulations necessary to carry out these and all other managerial functions which are not inconsistent with this Article, federal or state law, or the terms of a **collective bargaining** agreement.

(c) **Exemption.** This Article does not limit the discretion of the **employer** voluntarily to discuss with the representatives of its **employees** any matter concerning the **employer's** exercise of any right specified in this Section. However, any matter so discussed is not subject to bargaining.

- (d) The public **employer** rights specified in this Section must be incorporated by reference in every agreement reached between the **employer** and the **employee organization**.

33-153. Bargaining, impasse, and legislative procedures.

- (a) **Collective bargaining** must begin no later than the November 1 before the beginning of a fiscal year for which there is no agreement between the **employer** and the **certified representative**, and must be completed on or before January 15. The resolution of a bargaining impasse must be completed by February 1. These time limits may be waived or extended by written agreement of the parties.
- (b) Any provision for automatic renewal or extension of a **collective bargaining** agreement is void. An agreement is void if it extends for less than 1 year or more than 3 years. Each **collective bargaining** agreement must take effect July 1 and end June 30.
- (c) A **collective bargaining** agreement takes effect only after ratification by the **employer** and the **certified representative**. The **certified representative** may adopt its own ratification procedures.
- (d) Before November 10 of any year in which the **employer** and the **certified representative** bargain collectively, they must choose an impasse neutral, either by agreement or through the processes of the American Arbitration Association. The impasse neutral must be available from January 15 to February 1. The impasse neutral's fees and expenses must be shared equally by the **employer** and the **certified representative**.
- (e) During the course of **collective bargaining**, either party may declare an impasse and request the services of the impasse neutral, or the

parties may jointly request those services before declaring an impasse. If the parties have not agreed on a **collective bargaining** agreement by January 15, an impasse exists by operation of law.

(f) When an impasse is reached, the parties must submit the dispute to the impasse neutral. The impasse neutral must attempt **mediation** by bringing the parties together voluntarily under conditions that will tend to bring about a settlement of the dispute.

(g) If the impasse neutral, in the impasse neutral's sole discretion, finds that the parties are at a bona fide impasse, the impasse neutral must require the parties to jointly submit all items previously agreed on, and each party to submit a final offer consisting of proposals not agreed upon. Neither party may change any proposal after it is submitted to the impasse neutral as a final offer, except to withdraw a proposal on which the parties have agreed.

(h) The impasse neutral may require the parties to submit evidence or present oral or written arguments in support of their proposals. The impasse neutral may hold a hearing at a time, date, and place selected by the impasse neutral. The hearing must not be open to the public.

(i) On or before February 1, unless that date is extended by written agreement of the parties, the impasse neutral must select the final offer that, as a whole, the impasse neutral judges to be the more reasonable. In determining which final offer is the more reasonable, the impasse neutral may consider only the following factors:

(1) past **collective bargaining** agreements between the parties, including the past bargaining history that led to the agreements,

or the **pre-collective bargaining** history of **employee** wages, hours, benefits, and working conditions;

(2) wages, hours, benefits and conditions of employment of similar employees of other public employers in the Washington Metropolitan Area and in Maryland;

(3) wages, hours, benefits, and conditions of employment of other Montgomery County employees;

(4) wages, benefits, hours, and other working conditions of similar employees of private employers in Montgomery County;

(5) the interest and welfare of the public; and

(6) the ability of the **employer** to finance economic adjustments, and the effect of those adjustments on the normal standard of public services provided by the **employer**.

(j) The **impasse neutral** must base the selection of the most reasonable offer on the contents of the offer and the integration of any previously agreed-on items with the disputed items. In making a decision, the **impasse neutral** must not consider or receive any evidence or argument concerning offers of settlement not contained in the offers submitted to the **impasse neutral**, or any other information concerning the **collective bargaining** leading to **impasse**. The **impasse neutral** must neither compromise nor alter the final offer that he or she selects.

(k) The final offer selected by the **impasse neutral**, integrated with any items previously agreed on, is the final agreement between the parties, need not be ratified by any party, and has the force and effect

of an agreement voluntarily entered into and ratified under subsection
(c). The parties must execute that agreement.

(l) The annual operating budget which the **employer** submits to the
County Council must include sufficient funds to pay for the items in
the parties' final agreement. ~~[[Either or both parties]]~~ The **employer**
must expressly identify to the Council all terms and conditions in the
agreement that:

- (1) require an appropriation of funds, or
- (2) are inconsistent with any County law or regulation, or
- (3) require the enactment[[, repeal, or modification]] or adoption
of any County law or regulation, or
- (4) which have or may have a present or future fiscal impact.

The **employer** must make a good faith effort to have the Council take
action to implement all terms and conditions in the parties' final
agreement.

(m) The Council may hold a public hearing to enable the parties and the
public to testify on the agreement.

(n) The Council may accept or reject all or part of any term or condition
in the agreement which:

- (1) requires an appropriation of funds, or
- (2) is inconsistent with any County law or regulation, or
- (3) requires the enactment[[, repeal, or modification]] or adoption
of any County law or regulation, or
- (4) which has or may have a present or future fiscal impact.

On or before May 1, the Council must indicate by resolution its
intention to appropriate funds for or otherwise implement the

509 agreement or its intention not to do so, and must state its reasons for
 510 any intention to reject any part of the parties' final agreement.

511 (o) If the Council indicates its intention to reject any part of the parties'
 512 final agreement, it must select a representative to meet with the
 513 parties and present the Council's views in the parties' further
 514 negotiation on matters that the Council has indicated its intention to
 515 reject. This representative must also participate fully in stating the
 516 Council's position in any ensuing impasse procedure. The parties
 517 must meet as promptly as possible and attempt to negotiate an
 518 agreement acceptable to the Council. Either party may at this time
 519 initiate impasse procedures under this Section. The parties must
 520 submit the results of the negotiation, whether a complete or a partial
 521 agreement, to the Council on or before May 10. The Council then
 522 must consider the agreement as renegotiated by the parties and
 523 indicate by resolution its intention to appropriate funds for or
 524 otherwise implement the agreement or its intention not to do so.

525 (p) Any agreement must provide for automatic reduction or elimination
 526 of wage or benefits adjustments if:

- 527 (1) the Council does not take action necessary to implement the
 528 agreement or a part of it; or
 529 (2) sufficient funds are not appropriated for any fiscal year when
 530 the agreement is in effect.

531 **33-154. Prohibited practices.**

- 532 (a) The employer and its agents or representatives must not:
 533 (1) interfere with, restrain, or coerce employees in the exercise of
 534 any rights granted to them under this Article;

- 535 (2) dominate or interfere with the formation or administration of
 536 any **employee organization** or contribute financial or other
 537 support to it, under an agreement or otherwise, but the
 538 **employer and certified representative may agree to and apply**
 539 **an agency shop provision under this Article and a voluntary**
 540 **dues or service fee deduction provision, and may agree to**
 541 **reasonable use of County facilities to communicate with**
 542 **employees;**
- 543 (3) encourage or discourage membership in any **employee**
 544 **organization** by discriminating in hiring, tenure, wages, hours,
 545 or conditions of employment, but this Article does not preclude
 546 an agreement from containing an **agency shop** provision;
- 547 (4) discharge or discriminate against a public **employee** because
 548 the **employee** files charges, gives testimony, or otherwise
 549 lawfully aids in administering this Article;
- 550 (5) refuse to bargain collectively with the **certified**
 551 **representative;**
- 552 (6) refuse to reduce to writing or sign a **collective bargaining**
 553 **agreement that has been agreed to in all respects;**
- 554 (7) refuse to process or arbitrate a grievance if required under a
 555 grievance procedure contained in a **collective bargaining**
 556 **agreement;**
- 557 (8) directly or indirectly oppose the appropriation of funds or the
 558 enactment of legislation by the County Council to implement
 559 an agreement reached under this Article; or

(9) engage in a **lockout** of **employees**.

(b) **Employee organizations** and their agents, representatives, and persons who work for them, must not:

(1) interfere with, restrain, or coerce the **employer** or any **employee** in the exercise of any rights granted under this Article;

(2) restrain, coerce, or interfere with the **employer** in the selection of its representative for **collective bargaining** or the adjustment of grievances;

(3) refuse to bargain collectively with the **employer** if the **employee organization** is the **certified representative**;

(4) refuse to reduce to writing or sign a **collective bargaining** agreement which has been agreed to in all respects;

(6) hinder or prevent by threats, intimidation, force, coercion, or sabotage, the obtaining, use, or disposition of materials, supplies, equipment, or services by the **employer**;

(7) take or retain unauthorized possession of property of the **employer**, or refuse to do work or use certain goods or materials as lawfully required by the **employer**; or

(8) cause or attempt to cause the **employer** to pay or deliver or agree to pay or deliver any money or other thing of value, in the nature of an exaction, for services which are neither performed nor to be performed.

(c) A charge of prohibited practice may be filed by the **employer**, an **employee organization**, or any individual **employee**. Each charge must be filed with the Labor Relations Administrator, and a copy must be sent to any person who allegedly committed a prohibited practice. Each charge must state facts sufficient to allow the Administrator to investigate the charge. The Administrator may request withdrawal of and, if necessary, summarily dismiss any charge which is insufficiently supported in fact or law to warrant a hearing.

(d) The Administrator may independently investigate any charge and may adopt rules for an independent investigation. If, after investigating, the Administrator finds that a charge is sufficiently supported to raise an issue of fact or law and is unable to settle or resolve the matter, the Administrator must hold a hearing on the charge after notifying the parties. In any hearing, the charging party must present evidence in support of the charges; and the party or parties charged may file an answer, appear in person or otherwise, and present evidence in defense against the charges.

(e) If the Administrator finds that the person charged has committed a prohibited practice, the Administrator must file findings of fact and conclusions of law, may order the person charged to cease and desist from the prohibited practice, and may take affirmative actions to

remedy any violation of this Article. Remedies available under this subsection include reinstating **employees** with or without back pay, making **employees** whole for any loss relating to County employment suffered as a result of any prohibited practice, or withdrawing or suspending an **employee organization's** authority to negotiate or continue an **agency shop** provision or a voluntary dues or service fee deduction provision. If the Administrator finds that the party charged has not committed a prohibited practice, the Administrator must file findings of fact and conclusions of law and dismiss the charges.

(f) The Administrator must summarily dismiss any charge based on an [[action which allegedly]] alleged prohibited practice which occurred more than 6 months before the charge was filed.

(g) Any party aggrieved by a final decision of the Administrator under this Section may appeal the decision to the Circuit Court for Montgomery County in accordance with the court rules governing administrative appeals. The court may affirm, reverse, or modify the decision, or remand the case for further proceedings. The filing of an appeal does not stay the Administrator's order. Any party to the proceeding in the Circuit Court may appeal the Court's decision under applicable provisions of state law and court rules.

33-155. Expression of views.

(a) Expressing or disseminating any views, argument, or opinion, orally, in writing, or otherwise:

(1) is not a prohibited practice or evidence of a prohibited practice under this Article; and

(2) is not grounds to invalidate any election conducted under this Article;

unless the expression or dissemination contains a threat of reprisal or promise of benefit.

- (b) Recognizing an **employee organization** does not preclude the County from dealing with religious, social, fraternal, professional, or other lawful associations with respect to matters or policies that involve individual members of those associations or particularly apply to those associations or their members.

33-156. Strikes and lockouts.

- (a) An **employee** or **employee organization** must not either directly or indirectly cause, instigate, encourage, condone, or engage in any strike, nor the employer any lockout. An **employee** or **employee organization** must not obstruct, impede, or restrict, either directly or indirectly, any attempt to terminate a **strike**.
- (b) The **employer** must not pay, reimburse, make whole, or otherwise compensate any **employee** for or during the period when that **employee** is directly or indirectly engaged in a **strike**. The **employer** must not compensate an **employee** who struck for wages or benefits lost during a **strike**.
- (c) If an **employee** or **employee organization** violates this Section, and after adequate notice and a fair hearing the Labor Relations Administrator finds that the violations have occurred and that any or all of the following sanctions are necessary in the public interest, the **employer** may:

- 662 (1) discipline, or dismiss from employment, any **employee** who
 663 engaged in the conduct;
- 664 (2) terminate or suspend an **employee organization's** dues
 665 deduction privilege, if any; or
- 666 (3) revoke the certification of and disqualify the **employee**
 667 **organization** from participation in representation elections for
 668 a period up to a maximum of 2 years.
- 669 (d) This Article does not prohibit an **employer** or a certified **employee**
 670 **organization** from seeking any remedy available in a court with
 671 jurisdiction.

672 **33-157. Effect of prior laws and regulations.**

- 673 (a) This Article ~~[[does not supersede]]~~ **supersedes** any law, executive
 674 order, rule, or regulation adopted by the County or any County

- 676 (b) Any executive order, rule, or regulation of the County or any County
 677 department or agency which regulates any subject that is bargainable
 678 under this Article is not superseded or modified by a **collective**
 679 **bargaining** agreement negotiated under this Article, except to the
 680 extent that the application of the order, rule, or regulation is
 681 inconsistent with the **collective bargaining** agreement.
- 682 (c) However, if the inconsistent order, rule, or regulation is subject to and
 683 has received County Council approval, a **collective bargaining**
 684 agreement does not supersede or modify it unless:
- 685 (1) the order, rule, or regulation was expressly identified to the
 686 Council by the parties before the Council reviewed the
 687 **collective bargaining** agreement, as required by Section 33-

688 153(l)[];[], and the Council did not reject the inconsistent term
 689 or condition of the collective bargaining agreement under
 690 Section 33-153(n); or
 691 (2) the Council []expressly indicates its intent to repeal or modify[]
 692 repeals or modifies the order, rule, or regulation.

693 **Sec. 2. Emergency Effective Date.**
